I am seeking a challenging position in a reputed organization where I can learn new skills, expand my knowledge, and leverage my learnings while making a significant contribution to company success.

## WORK EXPERIENCE

### Hatchwise

Nov 2018 – Apr 2022

#### Freelance Website Designer

Design a website for clients and ensure to reach the client's expectations. Create aesthetic designs to be implemented within a website, from layouts to menus, color schemes, fonts, and other elements. Ensuring designs are engaging and responsive across devices, desktop, mobile, and tablet. Develop UI mock-ups and prototypes that clearly illustrate how they function.

### Bitslink IT Solutions

Jan 2017 – Jan 2018

#### Graphic Designer

Designing layouts for advertisements and social media posts. Develop and design packaging for products and advise the materials to be use. Ensure final graphics and layouts are visually appealing.

## EDUCATION

### STI College Lucena

Aug 2018 – Aug 2022

#### Bachelor of Science in Information Technology
